Part II

DETAILED TERMS AND CONDITIONS OF THE CONTRACT WHICH WILL BE BINDING ON THE PARTIES ON ACCEPTANCE OF THIS TENDER

In addition to Part-I (Instructions to Bidders) the following terms and conditions shall apply to the contract.

ARTICLE -1: DEFINITIONS AND INTERPRETATION.

- 1.1 Wherever used in this contract and / or in any of the Annexure hereto, unless the context shall otherwise require, the following terms shall have the following meanings.-
- 1.2 "COMPANY": shall mean "**Sambhar Salts Limited**", A Company within the meaning of Companies Act,1956 having its Registered Office at **Sambhar Salts Limited (A Government Enterprise)**, G-229, Sitapura Industrial Area, Jaipur-302022 (Rajasthan) India Capital of Rajasthan State and shall include its lawful successors and assignees.
- 1.3 "BIDDER": shall mean Individual/Firm/Company submitting the tender against this tender notice.
- 1.4 "CONTRACT": shall mean the Terms and Conditions as per the Documents Part-I & Part-II and SUBSEQUENT AMENDMENTS THERETO, if any, agreed in writing by the parties hereto on the basis of which the Bidder shall execute the contract.
- 1.5 "CONTRACTOR" shall mean Individual/Firm/Company to whom contract has been awarded by company as a result of this tender.
- 1.6 "APPROVAL OF THE COMPANY": shall mean the written approval of the Chairman & Managing Director of the Company or any person authorized by him to deal with the matter.
- 1.7 "**CONTRACT VALUE**" : **The Evaluated Bid value as arrived in the prescribed Price Bid shall be considered "Contract Value".**
- 1.8 Words denoting masculine gender or singular number shall also include the feminine gender and plural number and Vice - Versa where the contract so requires or permits.
- 1.9 "**INTERPRETATION & MEANING**": In case of doubt regarding any of the clauses mentioned in the tender document, Bidder/ Contractor shall seek clarification in regards to interpretation of the clauses in writing from the company. The interpretation of clauses mentioned in the tender document as per the company shall be final and binding on the Bidder/ Contractor.

1.10 Description of salt production area is as under :

Sr. No	Salt Production Area	Estimated Annual Salt Production in MT
1.	Gudha Kyar Number of Kyars : 12 Crystallising Area (In Acres) 6.0 Condensing Area (In Acres) 36.0 Reservoir Area 72.0 No of Surface wells 6 No. of Bore wells - Salt Storage Area Gudha Salt Refinery Platform	
	ONE KYARS -SALT EXTRACTION BY MANUAL(*)	3000
	THREE KYARS- SALT EXTRACTION BY MECHANICAL(**)	12000

(*) Manual - No machinery shall be allowed to enter into the kyar to protect the salt bed, therefore, salt extraction, haulage within the kyar and loading from heap to tractor / Wagons shall be made manual only, however Loosing of crust can be done through tractor cultivation after the inspection of Circle Incharge. In case Circle Officer feels that loosing of crust through tractor cultivation is affecting quality of salt and damaging kyar bed, then he will stop this work with the approval of the General Manager (Works).

(*)Mechanical- Loosing of crust can be done through tractor cultivation after the inspection of Circle Incharge. In case Circle Officer feels that loosing of crust through tractor cultivation is affecting quality of salt and damaging kyar bed, then he will stop this work with the approval of the General Manager (Works).Contractor shall be allowed to use machinery for salt extraction, haulage and loading in tractor, however, Contractor shall take all precautions to protect the Kyar bed.

1.10.1 In manual as well as mechanical operation, visible impurities lumps etc. shall be removed by the manpower. The contractor shall heap the salt wash and make it free from all visible impurities. Break the lumps and duggals etc. & load it into the rail wagons/ tractor or any other equipment as available & unload the same at the salt stores and carry out picking of impurities and dressing etc. at the salt stores as directed by circle officers.

1.10.2 If any lumps or duggals of the salt are found at the salt stores or the heap while the salt is being unloaded, the contractor shall make necessary arrangement for breaking them and for dressing the salt to the satisfaction of the receiving officer and in the event of the failure, the company shall have the right to get it done at its own end and the cost of same shall be recovered from the contractor's bill(s) including all charges.

1.10.3 If any portion of the salt in the kyars cannot be washed properly due to paucity of brine or if the salt is of sub-standard quality, the same shall not be heaped up by the contractor without prior permission of the circle officer concerned.

1.10.4 The contractor shall heap up the Reshta salt without mixing with the Kyar crystals salt.

1.10.5 In Kyar, Pans, Restha or Kyar salt shall be heaped, wash and make free from visible impurities both in the pans and at the stores. The heap will be in the shape of pyramid i.e. top surface and bottom surface should be in rectangular shape of the required height and properly shaped and dressed, for measurement. The orders of the General Manager (works) or the Incharge and their Asstt. shall be promptly obeyed by the contractor and his

representatives No dirty salt or dull appearance salt rejected by the circle officer or their assistant shall be extracted or brought to the stores or heaps. If any dirty or dull appearance salt is brought to the salt stores, it shall have to be removed by the contractor immediately at his own cost at the site indicated by the company.

ARTICLE 2: SCOPE OF WORK COMPANY

- 2.1 Company shall provide electricity through DISCOM connection or Diesel Generator of desired load as per availability and requirement at site.
- 2.2 Sambhar Salts Ltd. shall support technically i.e. may provide technical advice as and when required to the Contractor for production of good and standard quality of salt.
- 2.3 Production of salt shall be inspected periodically and in case, production of salt from the Kyar is less than the anticipated target, then the Contract shall be reviewed by the company, which may lead to cancel of the contract. However, for lesser production of salt due to rain/natural calamities, appropriate view shall be taken.
- 2.4 Company at its discretion shall provide the area to the Contractor as per the schedule deemed fit by the company on as is where basis.
- 2.6 The company shall provide existing pumps etc. for operational work in kyars.
- 2.7 The Company shall provide supervisory staff for operational production activities of salt.

CONTRACTOR

- 2.8 Bidder shall quote the rate per MT for salt production, extraction, haulage and transportation at SSL Gudha stores including maintenance of exiting salt production infrastructure in various kyars as mentioned in above clause 1.10.
- 2.9 Bidder shall arrange transportation of salt from the site to SSL Gudha Kyar Store / Gudha Salt Refinery Stores through road, wherein cost of equipment engaged for transportation of salt shall be borne by the Bidder. Labour for loading of salt into the equipment at site and unloading of salt at Gudha Kyar Store / Gudha Salt Refinery Stores shall also be in the scope of Contractor.
- 2.10 Contractor shall maintain the infrastructure during the course of its use by him.
- 2.11 Contractor shall be responsible for All Salt Production, Extraction, Heaping, and Transportation of Salt from kyars to Prescribed Stores Activities such as Cleaning / levelling of kyars, transfer of brine, charging of kyar, washing of salt to make it free from visible impurities, breaking of tari from time to time to avoid sulphate and impurities contents and also removing of algae to ensure quality production and after formation of salt crystals ready for heaping, discharging of brine, transfer of brine through pumps, maintenance of pumps, Transportation of Salt from kyars to respective stores.

Regarding maintenance of Kyars : Manpower for Maintenance of Kyars shall be provided by the Contactor and Machinery / Material by the Company.
- 2.11 Gudha kyar is performing well and desired salt production from the same has been achieved by the company, however in case of development of any new infrastructure related to Surface wells / Borewells and Desilting of Kyars, the work to be executed as per specifications mentioned in Annex. 3 and payment shall be made as per rates mentioned in Annex.3.
- 2.12 Contractor shall be responsible to arrange required operations, essential for production of standard quality salt.
- 2.13 Contractor shall be responsible for removal/picking of mud from the salt while heaping at platform.

2.14 Contractor shall ensure minimum production of 750 MT/Acre during contract period from one production season.

2.15 Production Performance of Contractor shall be reviewed every 15 days by the company. In case the performance of the Contractor is not found satisfactory, then the Contract shall be reviewed by the company and may also be considered for immediate cancellation of contract.

2.16 QUALITY OF SALT AND SAMPLING :

2.16.1 **QUALITY OF SALT:** Company shall pay agreed price for production of good quality salt from area, containing minimum 97.5% NaCl contents & above. Salt containing less than 97.5% NaCl contents, however more than 94% may be accepted by the Company, however payable amount shall reduce by 20% of agreed price. Salt containing less than 94% NaCl contents shall not be accepted at all.

2.16.2 **SAMPLING OF SALT :** A representative sample will be drawn from various heaps of salt in the Kyar by the incharge production/ circle officer and R&D Official in the presence of contractor or his authorized representative. The composite sample will be sent to incharge R&D/ Laboratory for analysis and the representative sample will also be kept by the respective circle officer.

In case the salt is of requisite quality as per Clause No. 2.16.1, then only it shall be transported to prescribed stores at SSL.

Further the sample of salt will again be taken by the representatives / Official of SSL in the presence of R&D Official and contractor or his authorized representative on daily basis from the salt at prescribed stores and will be sent to incharge R&D/ Laboratory. After competition of the haulage from the particular Kyars the composite will be made and analysed

After competition of the haulage from the particular Kyars the composite will be made and analysed and the result will be final for accounting penalty as mentioned in Clause 7.3 etc. on the basis of the difference of the chemical components.

2.17 Contractor is bound to follow the instructions & directions of company's circle in charge /officials.

2.18 Higher production of salt by the Contractors shall be appreciated by the Company. If production of salt is enhanced beyond estimated quantity in respective kyars by the Contractor, than company shall pay 10% extra rates on the enhanced quantity of salt produced i.e. only for the quantity beyond estimated quantity in Gudha Kyar.

2.21 The contractor shall pay the labour and the workers employed by under this contract not less than minimum rates of wages notified from time to time by the state under the minimum Wages Act, 1948.

2.22 The contractor shall be responsible to provide various amenities and benefits to his worker as admissible under the Labour legislation and shall also be responsible for taking necessary license and its renewal from year to year as required under the Factories Act.1948.

2.25 For unloading of salt at prescribed stores the contractor will have to unload salt in a way to maintain proper leveling of salt unloaded. Further, in case the leveling of Salt is not made by the contractor the company will have to make arrangement for making leveling of salt either manually or mechanically for the same expenditure incurred by the company will be recovered from the contractor bill.

2.26 Extraction and storage of salt at Gudha Kyar will be done mechanically (say through Tractor and JCB Machine) and manually as prescribed in tender documents.

2.26.1 Contractor shall make even surface of ground site on which heap is to be made and of even shape without having any concave or convex to avoid dispute regarding measurement of the

quantity. After making heap on uneven surface, no objection in respect of quantity will be entertained.

- 2.26.2 For Gudha Kyar heaping upto 3 acres Kyars are to be taken as one day and for other 2 to 3 days for every three acres. Last two days of extraction and storage of salt will be treated as one day for every kyar pan/ set as the case may be.
- 2.26.3 **Penalty for Less Production** : Monthly production targets shall be 1000 MT in a Month through Mechanically and 250 MT per month manually . In case production of less than 800 MT in a month mechanically and 200 MT per month manually is achieved by the Contractor due to any reason directly attributable to Contractor, then penalty @ Rs. 10 / MT shall be leviable on the Contractor on the short quantity.
- 2.26.4 Contractor will be allowed to scrap kyar salt and transportation by tractors & loading of salt on to Tractor Trolley.
- 2.26.5 Extraction & Storage of salt through mechanical system will be on sole discretion of the company contractor may be allowed with utmost care tractor for loosening of Kyar salt crust scrapping of salt into heap lets & loading of loose Kyar salt into the tractor trollies through Plate JCB machine (Without Teeth) without damaging of salt bad of crystallizes in case of damage to the salt bed cost for the same will be recovered from the contractors bill there after such type of activities will not allowed to repeat.
- 2.26.6 Though the heaps so prepared will be measured on volumetric basis and the quantity so arrived after measurement shall be final for payment purpose.

ARTICLE 3 : BID EVALUATION CRITERIA

- 3.1 Bidder shall quote the rate per MT for salt production, extraction, haulage and transportation at prescribed stores including maintenance of existing salt production infrastructure.
- 3.2 Eligible Bidder having the lowest Evaluated Bid Value as per prescribed Price Bid for the aforesaid activities will be considered as L1.

ARTICLE 4 : DURATION OF CONTRACT

- 4.1 Duration of contract will be from 01.10.2017 to 30.09.2018, however based on the performance, company may extend the period for salt production by another one year. In the extended period, company may decide further terms and conditions after mutual discussion with contractor.
- 4.2 After expiry of contract period, under all circumstances Contractor has to vacate the site (complete in all the aspect) without hampering the infrastructure developed by the Contractor, otherwise same shall be recovered from dues of the Contractor.
- 4.3 After expiry of contract, if Contractor does not vacate the site, the company reserves the right to remove Contractor's equipment from the site and take possession.
- 4.4 After expiry of contract period company shall invite fresh tenders for next season at its discretion.
- 4.5 If during the period of contract, company requires the area back, in which salt production is arranged by the Contractor for any other reason whatsoever, then contract shall be terminated by the company at its discretion and in such case Contractor must immediately stop the work for development of infrastructure for salt production or Production of salt, as applicable and vacate the site.
- 4.6 Payable amount (if any), on account of any reason whatsoever by the Company to Contractor or vice versa by the Contractor to the Company, shall be adjusted or paid by either parties to each other and contract shall be terminated amicably.

ARTICLE -5: PRICE BID

- 5.1 Price Bid to be furnished in the prescribed Performa is attached at **Annex-1** of the Documents.
- 5.2 **The rate must be written both in words and figures, in case of variance between the two the figure in words shall prevail.**
- 5.3 **There should be no erasures and or over writings. Corrections, if any, should be made clearly and signed with date.**

5.4 It may please be noted that the COMPANY may award the contract to the Bidder without negotiations or after negotiations, if required. Therefore Bidders are advised to be careful to quote the genuine rates only.

5.5 On acceptance of this tender or revised tender or counter tender either by the Bidder or by the **Sambhar Salts Limited** as the case may be the terms and conditions contained in this part will also constitute a contract between the parties i.e. **Sambhar Salts Limited**, a Company incorporated under the Companies Act,1956 having its Corporate Office at G - 229, Sitapura Industrial Area, Jaipur - 302022 (Rajasthan) in the State of Rajasthan, India hereinafter called the "COMPANY" or "Sambhar Salt Limited" which expression shall unless repugnant to the context or of the meaning thereof be deemed to include the Company's Lawful successors, administrators and assignees of the one part.

AND,

M/s _____

in the state of _____, hereinafter called the " CONTRACTOR" which shall mean Individual/Firm/Company.

ARTICLE 6: SECURITY DEPOSIT

6.1 Successful Bidder shall have to furnish Security Deposit amounting to **3% of the Contract Value** in the form of Demand Draft in the name of Sambhar Salts Limited and payable at Sambhar Lake within 14 days of award of contract. The Security deposit may also be deposited through NEFT/ RTGS in company's account. EMD shall be adjusted in the Security Deposit amount.

6.2 Interest will not be allowed on Security Deposit.

In the event of breach of contract on the part of the Contractor, the Contractor will be liable to forfeit wholly or partially the above amount of Security Deposit with the Company. No interest will be allowed on the Security Deposit. The Company further reserves the right to adjust the Security Deposit towards any amount due to the Company from the Contractor and in such event, the Contractor on receipt of notice from the Company, shall make further deposit to restore the Security Deposit to the full amount.

6.3 Refund of Security Deposit:

On satisfactory performance of the contract and on receipt of "No Dues" certificate from the **General Manager (Works)**, the Security Deposit will be refunded to the Contractor provided that no claim whatsoever against the Contractor is made and nothing is due from the Contractor and that the Contractor has completed the work to the entire satisfaction of the Company as per contract.

6.4 With-holding or forfeiture of Security Deposit:

Without prejudice to the rights of the company to claim damages arising on account of breach of contract under the Contract Act 1972, the Security Deposit shall be liable to be withheld/forfeited wholly or partially at the sole discretion of the Company when the Contractor either fail to fulfil his contractual obligations or to settle in full his dues to the company.

6.5 Recovery from Security Deposit:

The company is empowered to deduct from the Security Deposit or from any other outstanding amount, any sum that may be fixed by the company as being the amount of loss or losses or damages suffered by it due to delay in performance or non-performance of any of the conditions of the contract.

This Security Deposit shall be refunded on the satisfactory completion of the contract certified by the **GENERAL MANAGER (WORKS)**, as the case may be it shall be lawful for the company if any difference or dispute is likely to exist; to defer payment of the Security Deposit or any portion thereof which may be due to the Contractor until such difference and dispute shall have been finally settled or adjusted.

ARTICLE 7: PAYMENT TERMS, FIRMNESS OF RATES and PENALTY:-

- 7.1 The payment shall be released only after completion of all activities i.e. production, extraction, haulage and transportation at SSL prescribed stores. Measurement may be made at production site, however, payment shall be released for the quantity of salt received at the stores only.
- 7.2 Rates submitted by the Contractor shall remain firm during the entire duration of contract.

7.3 PENALTY

7.3.1 PENALTY IN RESPECT OF QUALITY

The contractor has to strictly maintain the quality of salt during extraction and Storage of salt as per sample drawn as per procedure elaborated above IN Clause 2.16.2. In case of failure not to make extraction and storage of salt as per salt sample, a penalty will be levied on deterioration of quality during extraction and storage of salt @ Rs. 2/- Per CUM for every 0.1% increase in sulphate contents and similarly Rs. 2/- Per CUM every 0.1% increase in insoluble contents. However, the maximum penalty amount will be Rs. 5/- Per CUM in total, further both the above penalties will be levied simultaneously. This would be applicable in all Kyars where extraction and storage of Salt is done.

7.3.2 PENALTY IN RESPECT OF QUANTITY

Monthly production targets shall be 1000 MT in a Month through Mechanically and 250 MT per month manually. In case production of less than 800 MT in a month mechanically and 200 MT per month manually is achieved by the Contractor due to any reason directly attributable to Contractor, then penalty @ Rs.10/MT shall be leviable on the Contractor on the short quantity.

ARTICLE 8: DIFFERENCES OR DISPUTES:-

8.1 Mutual Settlement of Disputes

- 8.1.1 Except where otherwise provided for in the contract, all disputes shall in the first place be resolved through mutual discussions, negotiations, deliberations and consultations associating senior executives /nominees of both the parties to dispute.

8.2 Conciliation

- 8.2.1 If the efforts to resolve all or any of the disputes through mutual settlement fail, such disputes shall be referred to the sole conciliator to be appointed by the Company under the Arbitration and Conciliation Act, 1996.
- 8.2.2 The settlement agreement shall be final and binding on the parties. The settlement agreement shall have the same status and effect of an arbitration award.

8.3 Arbitration

- 8.3.1 If the efforts to resolve all or any of the disputes through conciliation fail, such disputes shall be referred to the sole Arbitrator to be appointed by the Chairman cum Managing Director, Hindustan/Sambhar Salts Limited. There shall be no objection by the "CONTRACTOR" if the sole Arbitrator so appointed is an employee of Company. In case the Arbitrator so appointed is unable to act for any reason, Chairman & Managing Director, Hindustan/Sambhar Salts Limited, in the event of such inability, shall appoint another person to act as an Arbitrator in accordance with the terms of the contract. Such persons shall be entitled to proceed with reference from the stages at which it was left incomplete by his predecessor.
- 8.3.2 Subject to the afore stated conditions, the provisions of the Arbitration and Conciliation Act,1996 or any statutory modification or re-enactment thereof and the rules made there under and for the time being in force shall apply to the conciliation and arbitration proceedings under this clause.
- 8.3.3 Pending resolution of disputes and differences, the work shall continue without hindrance as per schedule and shall not be either slowed down or stopped. If the work is slowed down or stopped during the period of dispute, the "CONTRACTOR" shall be responsible for the loss of work /production or delays and any loss sustained by Company due to such actions by the " CONTRACTOR", shall be made good by the "CONTRACTOR".
- 8.4 The Arbitrator may from time to time, with the consent of all parties, extend the time in making the award.

8.5 The cost incidental to the arbitration shall be at the discretion of the Arbitrator. The arbitration shall be conducted at Jaipur (Rajasthan) or at such other place or places as the Arbitrator may so decide.

ARTICLE 9: JURISDICTION

Subject to Article 8 above, it is hereby agreed that all actions at law or suits arising out of or in connection with this contract or the subject matter thereof whether as to construction or otherwise shall be instituted in court of competent jurisdiction at Jaipur in the State of Rajasthan, India.

ARTICLE 10: FORCE MAJEURE

In case either of parties fail, to full fill, in time, then, respective contractual obligation owing to future event beyond their control like Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities, civil war, rebellion, from time to time for performance of such obligation/responsibility shall automatically extended for the period of force majeure. Provided force majeure is established & one party shall inform to the other party for such occurrence but no one party shall blame other party and claim by the Contractor due to force majeure condition, & both parties mutually agree to further course of action.

ARTICLE 11: RECESSION AND CANCELLATION OF CONTRACT

11.1 If during the period of contract, company requires the area back, in which Kyar are developed and salt production is arranged by the Contractor for any reason whatsoever, then contract shall be terminated by the company at its discretion and in such case Contractor must immediately stop the work for development of infrastructure for salt production or Production of salt as applicable and vacate the site.

Payable amount (if any), on account of any reason whatsoever by the Company to Contractor or vice versa by the Contractor to the Company, shall be adjusted or paid by either parties to each other and contract shall be terminated amicably.

11.2 In case the Contractor fails to complete the contract as stipulated in the contract or any revision and if the company apprehends the performance to be below average than the Company reserves the right to rescind the contract and recover from the said Contractor the losses, if any incurred by the Company in doing so apart from his liability under clauses of the contract.

11.3 If the contractor fails to perform any part of the contract in the opinion of the company or is unable to carry out the work contracted out to him as per the terms and conditions of contract or his progress on the work is so slow as likely to cause loss to the company, or the progress from the date of commencement of the contract is so slow as in the opinion of the company the work cannot be completed in time, or the Contractor refuses, or neglects to carry out the direction given to him by the authorized officials of the company, then Company may rescind the contract after giving a show cause notice to the contractor. The contract shall be deemed to be automatically rescinded unless the notice is withdrawn by the company. If the contractor does not, within seven days after the delivery to him of such notice proceed to make good his default and carryout the work to the entire satisfaction of the company, the company shall have the powers to rescind the contract or to take away from the contractor the whole or any portion (to be specified in such notice) of the work and complete the same by employing some other agency.

11.4 **Risk & Cost clause:** Without prejudice to the rights of the company and notwithstanding the obligations of the Contractor under the contract arising from the acceptance of this tender or the revise offer or counter offer in response to this notice or in consequences of this notice in the event of any failure on the part of the contractor, the Company will be free to get the same executed in any manner at the Risk and Cost of the Contractor and the additional burden on this account, if any, will be borne by the contractor, and can be realized from the Contractor's pending bills/ Security money deposit or any other dues. This is without prejudice to the Company's claim for other losses and damages that may arise due to the failure of the Contractor to keep upto the terms of the contract.

ARTICLE 12: NON SUBLETTING OF CONTRACT

The Contractor is barred from any sub-letting of contract of any nature.

ARTICLE 13: DAMAGES UNDER THE CONTRACT:

Loss or Damage to Company's Property

- 13.1 The Contractor shall carry out the work without damage and/or interference to any other work, machines or equipment and property of the company or other Contractors of company in area, adjacent to the area of Contractor's work.
- 13.2 In case during the execution of contract by the Contractor any loss or damage occurs to any property of Sambhar Salts Limited, then contract may considered for termination by the company at its discretion and the security deposit deposited by party shall be forfeited.
- 13.3 For damaging the company property Civil and Criminal proceedings will be initiated against the Contractor at the discretion of company and loss incurred by the company due to such damages will be recovered from the Contractor.

ARTICLE -14 : POWER OF ATTORNEY

A person signing the agreement or any documents forming part of the contract on behalf of the Contractor shall be responsible to produce a proper power of attorney duly executed and attested by a Notary public under the Notaries Act in his favour stating that he had authority to bind the Contractor in all matters pertaining to the contract including the arbitration clause.

ARTICLE -15 : CHANGE IN CONSTITUTION

On the death or retirement of any partner of the successful Contractor/Firm before complete performance of the contract, the Sambhar Salts Limited may at his option cancel the contract and in such case the Contractor shall have no claim whatsoever to be compensated by Sambhar Salts Limited without prejudice to any of rights or remedies under this contract. If Contractor is proprietorship concern and the proprietor dies during the performance of this contract, the Sambhar Salts Limited shall have the option to terminate the contract without compensation and the company will be entitled to recover its claim from his/her legal heirs and from the property moveable or immovable of the Contractor.

ARTICLE - 16: NOTICES

Any notice hereunder may be served on the Contractor by registered mail at his last known address. Proof of issue of any such notice will be conclusive of the Contractor having been duly informed.

ARTICLE - 17: CANVASSING IS PROHIBITED

Canvassing in connection with the Tender is strictly prohibited and Tender is liable to be rejected. Any bribe or commission, gift or favours given, promised or tendered by or on behalf of the Contractors, their partners, agents or servants to any officers, servant or representative of the Sambhar Salts Limited for obtaining or for the execution of this or any other contract or for receiving payments under the contract shall in addition to the criminal liability may ensure cancellation of this Tender or any other Contracts and also to payment of any loss resulting from any such cancellation. Sambhar Salts Limited shall be entitled to deduct the amount so payable from any money otherwise due to the Contractor under this or any other Contracts. Any question or disputes as to whether the Contractors have incurred any liability under this clause shall be settled by Sambhar Salts Limited in such manner and on such evidence or information as it may think fit and sufficient and its decision shall be final and binding.

ARTICLE-18: MAINTENANCE OF DISCIPLINE BY THE CONTRACTOR

The Contractor shall be liable to comply with covenants of contract and Tender documents. The company expected the Contractor and his representatives and the labour to conduct themselves in a disciplined manner. All rules and instructions pertaining to well-being of the factory and its precincts, the sanitation and health etc. should be adhered to and in the event of any theft, arson or any antisocial activities on the part of the Contractor, his employees or his labour, the company shall have the right to terminate the' agreement.

ARTICLE 19 - GOVERNING LAWS AND RIGHT OF INDEMNITY OF THE COMPANY.

The Contractor shall indemnify the company for all the injuries caused to any person or to public property due to his negligence or to the negligence of his workmen during the performance of contract.

- 19.1 Contractor shall abide by all existing / future labour enactments and rules, regulations, notifications and bye laws of State or Central Government or local authority.
- 19.2 The Contractor shall comply with all the provisions of the Statutory Acts and rules framed hereunder particularly in respect of the Factory Act. 1948, the Payment of Wages Act. 1936, Industrial Disputes Act, 1947, Industrial Employment Standing Orders Act,1946, Minimum W ages Act, 1948, Collection of Statistic Act,1953,Workmen’s Compensation Act, 1923, Fatal Accidents Act, 1935, Personal Injuries (Compensation Insurance) Act,1963, Trade union Act, 1926, Maternity Benefit Act, 1961, Employees Provident Fund Act,1952, Contract Labour (Regulation and Abolition) Act, 1970, Indian contract Act, 1872 and the rules framed by the state in respect of various Labour Acts as demanded from time to time and shall also comply with the provision of any other enactment statues, rules regulations made by a competent authority and enforced in the state during the currency of the contract. Contractor shall indemnify the company for the penalties on account of breach of any of the conditions, there under.
- 19.3 The company shall remain indemnified by the Contractor against any claim arising under the payment of Wages Act, or the payment of Bonus, C.P. Fund or Gratuity of Compensation Act arising during the pendency of the contract. All such claims will be met with by the Contractors themselves from the payment made to them.

ARTICLE 20: DEDUCTION OF TAX,DUTIES ETC.:

Applicable taxes, duties, royalties etc., shall be payable by the Contractor.

ARTICLE 21: CONTRACT DOCUMENT

A contract arising on acceptance of this Tender or in consequence of this Tender, the company and the Contractor, shall agree to abide by all the terms & conditions of Part I & II of these Tender documents as well as the terms and conditions mutually agreed in writing between the parties.

ARTICLE 22: COMPLETENESS OF TENDER

The Tender should be completed with all details of illustrative and descriptive literature.

ARTICLE 23: SAFETY OF PERSONNELS

- 23.1 The Contractor shall cover all personnel deputed for production under appropriate insurance scheme.
- 23.2 The company shall not be responsible or held responsible or held liable for any damage to person or property that may result during the execution of contract by the Contractor.
- 23.3 The Contractor has to agree to indemnify the company from any or all claims for damages that may result during the execution of project by the Contractor.
- 23.4 The Contractor shall provide all safety gears and livery to its workmen to ensure their safety and protection from injuries during the execution of works.
