MESSAGE FROM CMD SSL

We wish all employees & families of SSL good health, happiness, peace & prosperity in days and years ahead.

Today is an important day in the history of India, wherein we are celebrating our 75th Independence Day.

This day has been named as 'Amrit Mahostav Day' by the Hon'ble Prime Minister. On this occasion I have two messages for our employees :

1. Let us all take a pledge to make HSL/SSL into a **Mini-Ratna** by 2023.
2. Our product i.e. 'Salt', it must continue to be known as "**The Best Salt in the world.**"

To achieve these two goals, we all need to work hard, work-together, give full co-operation to each other so that our turnovers & profits continue to double every year, which will ultimately bring better salary and better living for all of us. Let us re-dedicate ourselves in the service of nation by being good human, law abiding citizen and a good family man.

Once again wishing one and all 'Good Luck, Happiness and Brighter days ahead'.

Jai Hind Jai Bharat
